

### Torrance Man Hurt In Crash That Wiped Out Entire Family

A father, a mother and their four-year-old daughter were killed in a three-car crash on Pacific Coast (101) highway 11 miles north of Oceanside last Saturday night. California Highway Patrol officers listed Ernest R. Brockway, 60, of the Erwin hotel, Torrance, as the driver of one of the cars.

He suffered cuts and bruises and his passenger, Mrs. Lucille Reddick, 53, of Lakeside, San Diego county, suffered a fractured right leg and severe lacerations.

Lawrence Tibbett, the baritone joined the Navy in the World war.

### Wide Choice of Gifts For Boys in Service

Men have always appreciated useful gifts more than trick gadgets that are usually put away in a bureau drawer and promptly forgotten. And in selecting gifts for those in the armed forces it is particularly important that you bear in mind the change of environment; the desire for "convenience gifts"; for gifts they can actually use now.

Your reporter has made a survey and found that our local stores have given a lot of attention to the problem and that the choice of gifts is varied enough for anyone's taste.

In fact most of the stores have special displays to simplify your shopping.

#### Most Popular Gifts

Since most soldiers and sailors have a sweet tooth, Cookies and Cakes, Candles, Preserves and Jellies, Canned Foods and Delicacies, assorted nuts and other edibles are among the most popular gifts. Naturally such day to day necessities as cigarettes, smoking tobacco, Toilet Articles, and Writing Materials are always welcomed.

Many stores are showing gift boxes including special assortments and combinations of the above items at special prices. You can not go wrong with such popular gifts.

#### "Convenience" Gifts

High appreciation will be shown by the recipient for one of the many "convenience" gifts that will come in particularly handy. Our check-up showed the following gifts of this type as most appropriate: Portable Radio, Camera, Dressing Robe, Leather Toilet Kit, Electric Iron, Wrist Watch, Moccasins, Scout Knife Flashlight, Clamp-on Lamp, Shoeshine kit, Ploofilm clothing bags, First Aid Kit.

#### Other Gifts Noted

One store is very smartly playing up books as the ideal gift for soldiers and sailors, and then we noted in the same store a display that included miscellaneous leather gifts of all descriptions. One item that looked very interesting was a wallet with Army insignia. Photo albums are popular as are such prosaic things as woven names tapes, sewing kits, playing card and chip sets, Comb and brush sets, Memo pads, serving kits.

In talking with several boys on leave the other day, one said the best gift of all would be a photo of the girl friend as well as a member of the family.

In talking with one of our local boys on leave the other day, he remarked that every fellow at his camp would treasure a photo in a "snappy" frame of his best girl. So girls, this is a special tip for you. Many of our local photographers are now offering specials, but we want to remind you that if you plan having a photo taken, take care of it soon in order to assure delivery. Wearable gifts, too, are gifts that men at camp really welcome. Many stores feature a complete line of such gifts suitable for service men.

#### TOO MANY

Most intolerant among our citizens are men who have the greatest reason for being tolerant. No other country would stand for their bigotry.

Chinese walled villages still exist in the Hongkong New Territories.

GLITTER GIFTS are these mesh bags in non-tarnishable gold or silver finish.

### Costume Jewelry Makes Sparkling Yuletide Presents

"For Christmas 1941 a gift of costume jewelry will have an intrinsic as well as aesthetic value," says Charlotte, well-known stylist and designer.

"Heretofore, we have considered costume jewelry solely as an adjunct to the outfit with which it was worn. It has had fashion value — yes, but we have given little or no consideration to the material of which it was made or their actual value.

"Today, all that is changed.

"The glittering stones and intricately-wrought metals that we accepted so casually in the past may be the heirlooms of the future. Just as the hob-nail glass bottles and old pewter mugs that our ancestors stuffed away in New England attics have become collectors' items. Not because the particular piece of glass or pewter was so valuable at the time it was fashioned, but because its counterpart in style and workmanship cannot be procured today.

"So it is with costume jewelry.

"The war in Europe and our own mighty defense effort are resulting in scarcities and shortages of many materials. The finely-cut stones used in the loveliest costume jewelry are increasingly difficult to procure and certain metals may also disappear from costume jewelry counters soon. Well selected costume jewelry gives lasting enjoyment.

### Real Estate Business in State Best Since 1929

State Real Estate Commissioner Clarence Urban said this week the real estate business in California is more active than at any time since 1929.

As a result, nearly 500 real estate license examinations were held during October in the various offices of the division. A total of 1,376 real estate licenses were issued during the month, compared with 1,328 in October, 1940. Urban said.

Samuel Hopkins Adams, the author, has a hobby of collecting old glassware.

### Six Patients Enter Hospital

Six patients were received at Torrance Memorial hospital during the past week. They were: Mrs. Irba Campeau of Redondo Beach, Nov. 30 for surgery; Miss Charline Jenkins, 1738 216th st., yesterday for surgery, and George Licht, 1643 West 216th st., Nov. 26 for medical care.

Mrs. Judith Randell, Los Angeles, Dec. 1 for treatment of injuries sustained in a Los Angeles automobile accident; Raymond Wunsch, Gardena, Nov. 29, for surgery, and Mrs. Thelma Warren, 1743 Andros ave., Nov. 25 for surgery.

Kerch, seaport between the Black Sea and Sea of Azov, is called Russia's "Pompeii" because of wealth of ancient tombs and relics found there.

"CARNIVAL HAT BOX" new Cannon gift ensemble of decorative soap and towels.

ROY ROSENBERG, publisher of the Inglewood Daily News, will speak on "South Bay Highways and National Defense" at the monthly dinner-meeting tonight of the Southwest District Highways Association. The session will be held at the L. A. Municipal Airport Cafe, starting at 6:30 o'clock.

### Quake Photo Edition Still Available

Those who wanted to let friends "back east" know how Torrance fared in the Nov. 14 earthquake and were unable to obtain copies of The Herald's first issue following that major shakeup, should call at once at this newspaper's office for copies of the Nov. 27 issue which contains all of the pictures of the quake scenes.

There are still a number of copies available of the re-published photos, together with news of how Torrance is emerging from the debris. The copies are five cents each and require three cents postage for mailing.

It is quite as important to pay for what you get as it is to get what you pay for.
